

Kingfisher Direct Ltd

Name:	Light Duty Utility Carts
Height	930mm
Length	854mm
Width	473mm
Construction Material	Polypropylene
Weight Capacity	90.7kg

The Light Duty Utility Carts is manufactured from tough and durable polypropylene and are sized to carry high loads and reduce return trips, ideal for restaurants and diners.

The attractive styling is ideal for front of house use giving a more professional feel to the establishment.

91kg weight capacity (30kg per shelf).

Textured surface on all shelves resist scratches, whilst smooth surfaces and rounded internal corners are stylish and easy to clean.

Due to the structural design of the utility cart, the material can resist chips, dents and rust.

Quiet, non-marking swivel casters and plastic construction help eliminate added noise whilst in transit.

Compatible with two utility bins.

Stock Code: RM-FG342488
