The Wall Mountable Seat is ideal for use in a range of locations such as schools, leisure centres, theme parks and other locations with limited space available.

The seat is manufactured from recyclable polyethylene, a very tough and durable material meaning the seat can be located outside with very little maintenance required. The seat is also UV stabilised and will never rust or corrode.

The seating slats are available in black only and are manufactured from 100% recycled material.

Each seat is supplied with bolts for fixing to a wall.
